*"You know well enough how the wind blows this way and that. You hear it rustling through the trees, but you have no idea where it comes from or where it's headed next. That's the way it is with everyone 'born from above' by the wind of God, the Spirit of God."*

*~ John 3:8, the message*

- Re-read through your notes. Review the main points and read the Scripture references that are provided for you.
- Pastor said that wind is powerful and is either productive or destructive. Can you think of an example of either or both that you have experienced in regard to natural wind? If you are in a group, share that.
- How is the Holy Spirit like wind? In what ways is he productive? Destructive?
- What makes the difference in our lives as to what the effect the Holy Spirit will have?
- What "role" does God the Father play in our lives and salvation? What about Jesus the Son? What about the Spirit?
- Why did Jesus have to leave in order for the Holy Spirit to arrive?
- How does the Holy Spirit convict of sin? How has he done this in you? Be specific!
- Is there some area of your life that he is currently convicting you of?
- How does he convict in regard to belief? What is your level of belief?
- How does the Spirit convince us of righteousness? How do you see this at work in your life?
- Why is the resurrection so important for this? How is the resurrection evident in your life?
- Explain how the Holy Spirit gives the counsel of judgment. What are the two possible results (depending upon our response)? How have you responded?
- Why is victory over the devil so important to you and me?
- How does the devil have an influence in the lives of: unbelievers? Believers?
- Is the Spirit working through you? (Be specific about whether He is or is not.) Pray about this, submit to the Spirit, and let him do this through you!
